Description

Traveltec is a DMC (Destination Management Company) in Lloret de Mar, Barcelona and Malaga since 1987. As an incoming agency, we are specialized in organizing holidays and making reservations for foreign travel agencies throughout Spain. We work with adults, seniors, students and sports groups. We collaborate with professional travel agencies, associations and clubs. For these reasons we maintain a friendly relationship of trust with all our providers. Under the brand Bealokal.com we're organizing wine tours around Catalonia and Spain, which will provide individuals, families and small groups an unforgettable experience.
